MINNKOTA RT TERROVA 80LB 60" 24V 100AH LITHIUM + CHARGER PACKAGE

What makes the Riptide Terrova® a standout in saltwater? It’s all about unlocking unparalleled boat control. Equipped with Minn Kota’s most advanced GPS trolling system, including Spot-Lock®, it provides the power and precision you need to tackle any water. With effortless stow and deploy functionality, this motor has earned its reputation as one of the most reliable and capable on the water.

Key Features: • Easy Stow/Deploy Lever • Advanced GPS Trolling System • Integrated with the One-Boat Network • Spot-Lock with Jog • Drift Mode • Real-Time Battery Monitoring • Digital Maximizer™ • Indestructible Composite Shaft — Lifetime Guarantee • Mobile App Compatibility

BLA Marine Performance Lithium batteries offer top-tier power with advanced Lithium Iron Phosphate ($LiFePO_4$) technology, chosen for its high energy density, long cycle life, and superior safety. These batteries are lighter, faster to recharge, and deliver longer run times with a flat discharge curve for efficient energy use. With over 2,000 cycles and integrated safety features like a BMS, they provide reliable and safe performance. Bluetooth versions are available for easy monitoring via smartphone.

The BLA Lithium Chargers are designed specifically for these batteries, featuring a lithium charge profile, automatic wake-up, LCD display, and fan cooling system
