Xi5 Saltwater Edition Wireless Trolling Motor

Xi5 marks a key milestone in our history. It is the culmination of a renewed focus and significant R&D investment, to design, engineer, and manufacture these best-in-class trolling motors. We've made Xi5 stealthy quiet and ultra-responsive. You'll also see thoughtful details that make it safer and easier to use.

Xi5 is designed to exceed the expectations of today's discriminating angler. It's engineered to be reliable every day and is durable over the long haul. Unlike the competition, Xi5 includes wireless capability out-of-the-box, allowing anglers to command a precise motor and have full steering control from anywhere on the boat. With the world class Pinpoint® GPS module, Xi5 allows you to focus on fishing while taking advantage of GPS functions like anchor, heading lock, route record and more.
