Description

No matter what's on your family's boating agenda, the new R530 X-Rider delivers

It's true...SIZE really does matter. Coming in at a garage-friendly 5.3m (or under 6m on a trailer with a swing-away draw bar) the fun-sized R530 X-Rider is a rare find in a market where boats are getting bigger, but new home lots are rapidly shrinking. But don't for a moment think that downsizing your Revival means compromising on functionality or ride.

The all new R530 X-Rider borrows the capable R530/R525 platform and dials up the fun factor. Featuring a lockable anchor well capable of accommodating a full-sized winch, a convertible bow-zone, generous underfloor storage, bait well and rear drop in door, the R530 X-Rider flicks a middle finger salute at tinny brigade that have filled this niche...until now!

Versatile package that delivers on all fronts.

Redesigned helm accommodates up to two 7" head units.

Efficient hull design maximises performance without compromising on ride comfort or stability at rest.

Unrivalled storage options to hide skis, fishing tackle and family gear.

New X-Rider re-write's the bowrider rule book, and creates a few rules of its own.
