Description

FOR SALE : BOATS TOWNSVILLE. REVIVAL 590 OFFSHORE CABIN FIBREGLASS PACKAGE.If exposed bays and offshore horizons are on your hitlist, we've got the perfect weapon.

A great boat is more than just the sum of its parts. Yes, the new R590 has a much-vaunted 21 deadrise and it does feature an all-new composite fibreglass stringer system. Then there's the broad chines and aggressive entry that complement the tough-as-nails construction. It's the way all these components interact that make the R590 a stand-out in its class. A generous cabin with integrated off-set toilet facilities complements the over-sized rear cockpit with loads of freeboard and unrivalled storage to gobble up all your gear. And then there's the new X-Rider that rewrites the rule-book on what a well-sorted "bowrider" is really capable of.

All-new Composite Fibreglass stringer system.

Redesigned helm accommodates up to 16" head units.

Efficient hull design allows you to utilise lower output engines for greater economy and range.

Unrivalled storage options to hide fishing tackle and family gear.
